

Update - The Grave is Licking Its Lips

The Grave is Licking its Lips; a novella has life breathed into it as a novel. I realize we are closer than ever to the return of our Messiah Jesus. After the launch in February of the third book in the series from my earlier novella short stories, [The Grave is Licking its Lips](#) and [The Narrow Door Blazes with Fire](#). I knew I had to complete the series of books to *Exalted Above All Gods*, a stand-alone novel, meaning you don't have to read the other books to appreciate the narrative. The story points to the middle of the Tribulation and the start of the Millennium reign. I have not revealed the cover because I want it to be a surprise.

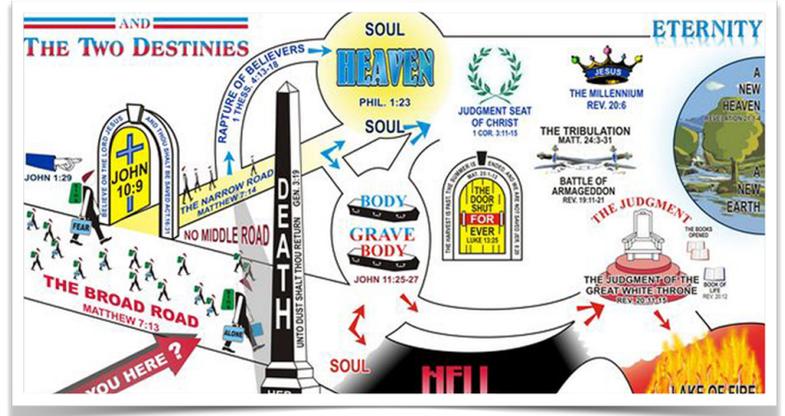

The novel is about a millennium couple who has an extravagant life and loses everything, including their souls, to the demons of earthly living. Satan sends in his best demon to transform both individuals as a deep portal opens to hell in the middle of the town. Grab your Bible and read the book of Revelation and other books of the Bible that I sprinkle throughout the novel. Release coming fall of 2021.

[Looking Through the Sea of Glass](#) presents four words given by Father God. Purification, Salvation, Repentance, and Belief in Jehovah. Matthew 7:13-14 AMP states, "Enter through the narrow gate. For wide is the gate, and broad *and* easy to travel is the path that leads the way to destruction *and* eternal loss, and there are many who enter through it. But small is the gate and narrow *and* difficult to travel is

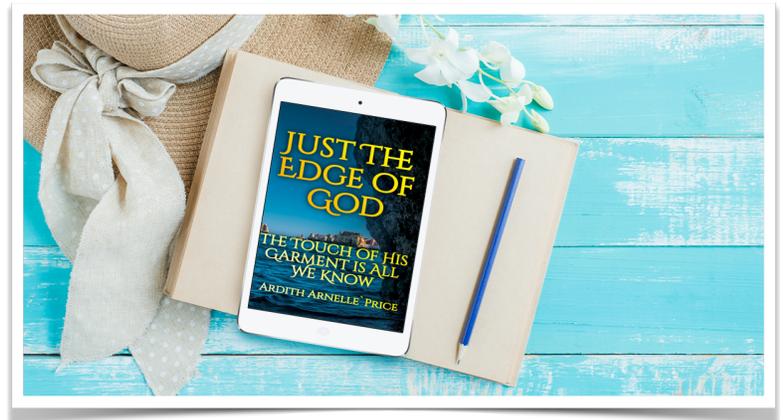

the path that leads the way to [everlasting] life, and there are few who find it.” After contemplating the scripture, there are only two destinies for humankind: heaven or hell, and what we do every second of the day determines our immutable destiny. The book discusses several aspects of the narrow and broad road that defines the believer and nonbeliever. Since we are getting closer to the day of the Rapture, we, as Christian and non-Christians, need to focus on how we live our lives in secret and in public. Who are we really? On which road are you? These are questions everybody must ponder and get right with our Father God now, before it is too late. COVID-19 was no mistake to plague the world. Emergence of COVID was from Almighty God for individuals to take a break and discover who HE is and stop and get our hearts focused on spiritual realities, not on earthly substance. With these thoughts, I recommend we all find a moment to reconnect with Jesus Christ, the Son of God, and bring our souls in balance with what is coming in the future. Our eternal destiny.

The book settles into the human spirit on worshipping Yeshua (Jesus) from a theological perspective.

Just the Edge of God still is my best-selling book. Delighted that the book has helped so many people find Jesus Christ as their Savior. After I repacked the book, it has inspired a new generation of millennials to read the work on various social media apps. If you want an inspirational book that is an easy study but packs a punch for the avid reader, pick up a copy on Amazon and other online retailers.

The Grave is Licking its Lips, Series I

A teaser . . .

A silver spacecraft streaked through the heavens, hovered over the lake, then descended into the depths. Not a sound overheard by one human ear.

A sinkhole opened in the middle of the basin as the brisk water swirled the vessel into a cavern that submerged everything in its path. Inside the cave was a lagoon of fire and water.

The topaz extraterrestrials scurried in place to meet their Master and get orders to kidnap people. The aliens escaped the antiquity flood and traveled to an identical solar system while waiting for their revenge on earth. These minions became the hybrid Nephilim that once spanned the planet.

Lucifer materialized in the middle of the cockpit, and the behemoths stood at attention. His great physical appeal shocked the beings as he surveyed the weapons and pods set to enslave the humans.

“Is everything galvanized for the invasion?”

“Yes, Master. The dam broke.” Raffe bowed as he spoke.

“Excellent. The *Antichrist* will arrive soon; make sure nothing goes wrong.” Lucifer stepped toward the door, then vanished.

More coming later. . .

“Sustain me, my God, according to your promise.... Uphold me.” Psalm 119:116-117, NIV

I know, perhaps as well as anyone, what depression means, and what it is to feel myself sinking lower and lower. Yet at the worst, when I reach the lowest depths, I have an inward peace.

Charles H. Spurgeon

*Important - Name Change

I changed the author's name for my writings. Since I write in two different categories, it was imperative to separate the genres not to confuse my publications. My **Inspirational Christian** books, Ardith Arnelle'Price, will stay the same, but my pseudonym will be Ardith A. Price for the **Christian Sci-fi Futuristic** books.
