

## Update - The Grave is Licking Its Lips

Due to the multiple storms and power outages in July, I have fallen behind with my initial update of *The Grave is Licking its Lips*. I am in the editing phase and hope to have series one available by November, and the pre-sale on Amazon will start next week, September 8, 2021. In addition, I am working on book two of the four-part series. I have learned a lot about how people read books considered stand-alone novels without being a series. I had initially written book three first and discovered that people wanted the first book in the set. So I have repacked and updated book three, **Exalted Above All Gods**, and renamed the book, and it will have my pen name on the book (Ardith A. Price), so look for the three-part series in December or January 2022 at the latest. Book four of the series in 2022.

**Looking Through the Sea of Glass** presents four words given by Father God. Purification, Salvation, Repentance, and Belief in Jehovah. Matthew 7:13-14 AMP states, "Enter through the narrow gate. For wide is the gate, and broad *and* easy to travel is the path that leads the way to destruction *and* eternal loss, and there are many who enter through it. But small is the gate and narrow *and* difficult to travel is

*Just the Edge of God* still is my best-selling book. The book was # 78 and #89 on Amazon Kindle Unlimited 100 Best Sellers in July 2021. I was delighted that the book encouraged folks to read more inspirational books. So if you require a guidebook that is an easy study but packs a punch for the avid reader, pick up a copy on Amazon and other online retailers.

## The Grave is Licking its Lips, Series 1

### A teaser . . .

Michaela couldn't believe her eyes when she gazed out the window at the container jutting out against the rocks. The vessel was modest; the color was a pale green concealed in the foliage.

"We are here, Michaela. Your new home for as long as you cooperate with the authorities. By the way, you can never contact your ex-husband. He doesn't realize you are alive. We want to keep this information secret from him for now."

“Why the secrecy?”

“I am not at liberty to say. Michaela, you’re a pleasant woman, and you’ll realize your fate soon enough, so be happy and do the work they ask you to achieve. Master approved my classification status to help you with any programming issues when your review or update code specifications for the company.”

“Who is Master? Did he program you?”

*More coming later. . .*

## \*Important - Name Change

I changed the author’s name for my writings. Since I write in two different categories, it was imperative to separate the genres not to confuse my publications. My **Inspirational Christian** books, Ardith Arnelle’Price, will stay the same, but my pseudonym will be

**Ardith A. Price for the Christian Sci-fi Futuristic books.**
